

N-X RANCH CAMP NEWSLETTER SUMMER 2024

Trusting in His Plans, Even When They Differ from Our Own

This summer was different from what we had planned. Several campers who were scheduled to visit had to cancel for various reasons, but we trust that God's plan was far greater than ours. Even in this change, we saw His glory at work. Volunteers came from North Carolina, and with them, we had the opportunity to host a Vacation Bible School at the church we attend in Gardner, CO. This time allowed us to minister to children and their families while also sharing in God's love and teachings.

We are grateful for the ways the Lord continues to use our ranch to further His kingdom, even when our plans shift unexpectedly.

Labor Day Weekend

One of the highlights of this year's summer season came during Labor Day weekend when a workgroup of 30+ volunteers from Faith Bible Chapel in Arvada, CO, came to spend the weekend with us. This marked their 10th trip to the ranch, and their support has been a tremendous blessing.

Over the years, they've helped with countless projects that keep our ranch running smoothly, and we are deeply thankful for their ongoing commitment to the Lord's work here.

Providing Rest for Missionaries

As part of our mission, we also extend an invitation to missionaries from around the world to come to N-X Ranch for a time of respite, prayer, and relaxation. Over the years, we've hosted missionaries from Japan, Ghana, Kenya, and the Philippines.

This summer, we were blessed to host a group of missionaries from the Philippines, who spent a week with us finding rest and rejuvenation for the work God has called them to do. Their presence was a reminder of the global reach of God's kingdom and the importance of supporting those who serve.

Exciting New Direction: “Hope for Our Heroes”

In a significant step for N-X Ranch, God led us to expand our ministry to include U.S. Military Veterans and First Responders. These brave individuals, who dedicate their lives to keeping us safe, often carry the burdens of trauma and emotional scars. At the end of 2024, we amended our 501(c)(3) by-laws to include “Hope for Our Heroes”, a new program that will provide veterans and first responders with the professional help and healing they need.

We are excited to offer this program, which will include certified counselors specializing in trauma recovery, and are working to have it fully operational by summer 2026. We are confident that this ministry will be a great blessing to those who serve our country and communities.

A Year of Growth, Trust, and Gratitude

Although this summer did not unfold as we had hoped, we are reminded of the truth in Isaiah 55:8, that "For my thoughts are not your thoughts, neither are your ways my ways." We trust in God's perfect plan, knowing that He uses all things for His glory. While we may not have seen the campers we expected, we witnessed His work in ways that were just as meaningful.

We are thankful for all who volunteered, supported, and prayed with us, and we look forward to what He has in store for N-X Ranch in the coming years.

New Opportunities and Challenges

As we reflect on the growth and changes in 2024, we're excited about the new opportunities on the horizon for N-X Ranch. The expansion of our ministry to include veterans and first responders is just the beginning. We believe that God has big plans for this ministry, and we are preparing for the challenges ahead with hope and anticipation. Our prayer is that we can continue to serve more individuals, provide them with healing, and help them grow in faith and leadership. With God's guidance, we are stepping into this next phase with confidence, knowing that He is at the center of all we do.
